

**FLO-XII Early-Bird Registration deadline is
Friday, February 17th**

Dear Friends -

Get ready for the **Twelfth Annual Florida Lithuanian Open Golf Tournament** (FLO-XII) on Monday, March 5th, 2012. Once again, golfers from the United States and beyond will be gathering to participate in this fun tournament and related events. After the winter many of our northern friends have experienced ... it's a great time to be in Florida! (Although, it's been pretty chilly here, too)

Most players are of Lithuanian descent, but each year we invite our non-Lithuanian friends to join us to become "Honorary Lithuanians" during this fun time. All are welcome and encouraged to participate. In response to many suggestions and comments we received last year, we have made some very positive changes.

The Welcome Reception has been moved to Saturday, and will be at our host hotel: The Sirata Beach Resort and Conference Center. This is also a nice upgrade for our traveling golfers! The Friday round will be at a new course for us: Feather Sound Country Club. If you've played it, you know what a nice course it is. The Thursday round remains at St. Petersburg Country Club, and the Saturday round returns to Bardmoor.

We continue to support a charity that will benefit from net tournament proceeds this year: Vaiko Vartai | Moksla (Child's Gate to Learning). Please read more About this Worthy Cause on the following pages or on Their Website: www.childgate.org .
