**SPECIAL PERFORMANCE BY
RUTA ZUBRECKAITE AND
JERONIMAS VITAVICIUS**

Chicago is excited and privileged to have these two star performers play at our adult party at the Lithuanian World Center! These entertainers sing rock and pop songs that get the party going! Come out and enjoy catchy music straight from Lithuania.

After listening to the stars, be ready to enjoy music from a live DJ. No party is complete without good music and we promise to provide it!!!

**"Maintaining the Pride of
Our Lithuanian Culture"**

Since 1962, when SALFASS was created, Lithuanian athletes from different generations have been competing in various athletic tournaments. The spirit and joy of SALFASS events have undoubtedly preserved the strong culture Lithuanian Americans are so proud of. While we are fierce competitors in the arena, we also cherish the lasting friendships these tournaments have helped create.

The SALFASS party is an essential way to help bring Lithuanian Americans from around the country together. To help maintain the spirit, culture, and friendship of the SALFASS tournament, please attend the party!
